Earth Day Interview during ANTEC 2020 with the PlastChicks

April 22, 2020

Green Dot Sales & Marketing Director, Sarah Harbaugh, joined Lynzie Nebel and Mercedes Landazuri for a lunch break discussion about bioplastics and joining the plastics industry during ANTEC.

ABOUT SPE and ANTEC

The Society of Plastics Engineers (SPE) (4spe.org) hosts ANTEC, the annual technical conference for plastics professionals. Originally scheduled to be held in San Antonio, TX; the entire conference was moved on-line and stretched across the month of April, with full day sessions every Monday, Tuesday, and Wednesday.

ANTEC® 2020: The Virtual Edition

ABOUT PLASTCHICKS

PlastChicks — The Voices of Resin! A new plastics podcast hosted by Lynzie Nebel and Mercedes Landazuri, discussing popular plastics topics and the people inspiring the industry! Tune in every month on your favorite podcast directory for a new episode of PlastChicks featuring a guest interview. This podcast is sponsored by SPE-Inspiring Plastics Professionals.
